PROFESSIONAL SUMMARY

Frontend Developer specializing in React.js, Next.js, TypeScript, and JavaScript, with a B.Sc. in Computer Science and Engineering from UITS, Dhaka. Experienced in building responsive, user-friendly, and production-ready web applications with Tailwind CSS, Redux, and RESTful APIs. Skilled at translating UI designs and client requirements into clean, maintainable interfaces, with a strong focus on performance, accessibility, SEO, and cross-browser compatibility.

PROFESSIONAL EXPERIENCE

Frontend Developer, *Maktech* Jan 2024 – Present

*Managed the end-to-end frontend development lifecycle for diverse international clients, translating complex Figma designs into responsive, production-ready web applications.

*Architected scalable, high-performance web interfaces utilizing React.js, Next.js, TypeScript, and Tailwind CSS, ensuring strict adherence to WCAG accessibility standards and SEO best practices.

*Executed robust API integrations (Axios, TanStack Query) and state management (Redux, Zustand), while maintaining version control via Git/GitHub for efficient CI/CD deployments (e.g., Coolify).

*Enhanced overall UI/UX performance by implementing fluid web animations (Framer Motion, GSAP, Lenis) and ensuring code reliability through Lighthouse optimizations and automated testing (Jest/Playwright).
